A PRIVATE COLLECTION
OF
Valuable Coins

To be sold
Friday Afternoon and Evening,
December 20, 1907

THE ANDERSON AUCTION COMPANY
5 WEST 29TH STREET, NEW YORK.

Sales begin in the Afternoon at 2.30; in the Evening at 8
Telephone 3150 Madison.

CONDITIONS OF SALE

1. All bids to be per lot as numbered in the catalogue.
2. The highest bidder to be the buyer; in all cases of disputed bids, the lot shall be resold.
3. Buyers to give their names and addresses and to make such cash payments on account as may be required, in default of which the lots purchased to be immediately resold.
4. Goods bought to be removed at the close of each sale. If not so removed they will be at the sole risk of the purchaser, and this Company will not be responsible if such goods are lost, stolen, damaged or destroyed.
5. **Terms Cash.** If accounts are not paid at the conclusion of each Sale, or, in the case of absent buyers, when bills are rendered, this Company reserves the right to recatalogue the goods for immediate sale without notice to the defaulting buyer, and all costs of such resale will be charged to the defaulter. This condition is without prejudice to the rights of the Company to enforce the sale contract and collect the amount due without such resale at its own option.
6. All goods are sold as catalogued, and are assumed to be in good **second-hand** condition. If material defects are found, not mentioned in the catalogue, the lot may be returned. Notice of such defects must be given promptly and the goods returned within ten days from the date of the sale. No exceptions will be made to this rule.
7. **Bids.** We make no charge for executing orders for our customers. We use all bids competitively and buy at the lowest price permitted by other bids.

IMPORTANT NOTICE

ALL BUYERS ARE PARTICULARLY REQUESTED TO
NOTE THE FOLLOWING IMPORTANT CHANGES:

1. The hours for beginning sales will hereafter be at 2.30 o'clock in the afternoon, and at 8 o'clock in the evening.

2. ALL BIDS TO BE BY THE LOT, and not by the volume or piece as heretofore. In making this change we are following the long-established practice of all the English Auction Houses, and are confident that the change will greatly reduce the number of mistakes and will prove to be for the best interests of both buyer and seller.

Please note that all bids are to be *for the entire lot offered*, and without reference to number of volumes.

The collection of coins herewith catalogued consists of a varied assortment of gold, silver, and copper coins, as well as paper money, tokens, and medals.

Particular attention is directed to the Napoleon Bonaparte pieces in the gold series, and to the extensive collection of German and Swiss silver coins.

The sizes, when given, are in millimetres.
